Dear Sir,

In reply to your letter No. G.2516-Mily. dated the 28th August 1930 calling for information regarding the total extent of lands granted to Military Applicants for land grants ever since the inception of the Scheme, I write to state that from the information available in this office an extent of 4,159 acres 37 guntas valued at Rs.1,99,671-6-0 appears to have been granted up-to-date throughout the State, excepting the Kolar District for which figures have not been separately compiled in this office. As large grants have been made especially in Srinivasapur and other Taluks of the Kolar District the total area may be taken in round figures to be about 5,000 acres valued at about Rs.2¼ lakhs. As both wet and dry lands have been given it is not possible to give particulars of the assessment within the time as many of the lands given were part of gomal and other un-assessed lands which have been assessed after the grant.

Yours sincerely,
